MEET THE FRIENDS

In Memory of:

Betty Harms

"Super Friend"

1947-2022

It is very appropriate for Betty Harms to be the first Friend of the Library written about in this column. Betty kept this organization going (sometimes all by herself). Let's learn who she was as we lost this friend on April 19, 2022.

- Born to Frieda and Freddie Harms January 18, 1947
- 1965 MHS Graduate and Valedictorian
- 1969 UW-Eau Claire Summa Cum Laude Graduate
- University of Utah – Masters Degree in Math
- Middle and High School Math teacher in Bozeman, MT & Lower Brule Sioux Schools
- Named first National Indian School Board Teacher in 1990
- Retired to Mondovi to enjoy and take pride in her garden, read and enjoy fishing
- Gave her time and math talents to being the treasurer of the Mondovi Garden Club and the Mondovi Public Library Friends of the Library.

Several donations came in to purchase a television in her honor to especially serve the children's programming at our library. Most recently money has been donated to the building fund in her memory. Betty is missed, but is still an inspiring example of serving your community. She will be honored on the Giving Tree in the new library entrance
